'Spring 2026 Happenings'

Happy Anniversary to US!

Our rooms have been welcoming

moms and their children for

ONE YEAR!

Over the past year a mom and a baby arrived, worked hard, and departed.

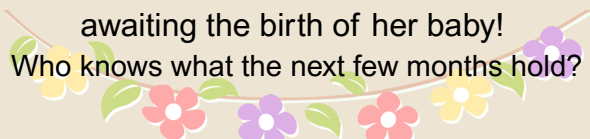

Another mom and toddler arrived - we welcomed a new baby, and they

continued to grow together as a family!

Two new moms arrived, one found her footing and departed and one remains

awaiting the birth of her baby!

Who knows what the next few months hold?

Many hands = light work

One recent workday.

10 dedicated volunteers.

3 basement rooms cleaned.

Many garbage bags filled.

A space made better and safer.

Endless smiles, laughs and gratitude.

THANK YOU.
